Patent No. : 7,288,672 B2
Inventor(s) Raghunath Vitthal Chaudhari, et al.
Issued : October 30, 2007
For **PROCESS FOR PREPARATION OF**
ESTERS OF HYDROXY TIGLIC ALDEHYDES
Doc. No. **3097-4015**

To Whom It May Concern:

The Certificate of Correction issued on April 15, 2008, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

The correction to the title inserting the word "IMPROVED" in the issued cofc has been entered erroneously. On March 25, 2008 correspondence was mailed to applicant denying the change to the title (copy attached) to insert the word "IMPROVED". A certificate of correction will be issued to reinstate the title to read as in original printed patent --PROCESS FOR PREPARATION OF ESTERS OF HYDROXY TIGLIC ALDEHYDES--.

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on a *copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
